

# FREEDOM LIGHT ELIXIRS

The Freedom collection of light elixirs was created in Georgia.

<p><b>R.I.P.</b></p> 	<p>Environmental elements plus Canadian hemlock cones (strength and durability, protection)</p> <p>Allowing the spirits of those passed over to complete their journey to the light.</p>	<p>1. I release the energies around me of those who need to complete their journey to the light.</p>
<p><b>INDEPENDENCE</b></p> 	<p>Crystal elixir created on July 4<sup>th</sup> to aid the release of energetic, emotional and genetic contributions, and tribal beliefs from our family of origin. (bloodstone, red coral, pietersite, vanadite, plus Releasing Old Wounds)</p>	<p>1. I am no longer bound by the hereditary contributions of my family of origin 2. I release all of my inheritance that no longer serves my highest good.</p>
<p><b>REPROGRAMMING SUBCONSCIOUS BELIEFS</b></p>	<p>Raising the vibration to allow for easier release of beliefs that no longer serve (labradorite, fuschite, apache tears)</p>	<p>1. I release those unconscious beliefs that no longer support my deepest and highest good.</p>

## **R.I.P. aromatherapy spray**

The Rest in Peace environmental spray contains:

- **R.I.P.** vibrational elixir - aids the spirits of those passed over to complete their journey to the light
- organic **sage** oil - neutralizes negative influences while creating a psychic barrier of protection and enhancing connection to higher self
- organic **rosemary** oil - cleansing and purifying vibrations which imparts peace to the living and the dead, and drives away negative influences
- organic **orange** oil - cheerful and uplifting, it harmonizes the body, mind and spirit
- **rosewater** concentrate - allows love energy to radiate out, which provides protection and repels negative influences

For external use only.

Avoid use if you are pregnant, epileptic or have high blood pressure.
